NB – All Australian Government Concession Card holders are eligible for
FREE counselling services

CATHOLICCARE FEES POLICY

To be eligible for subsidised (reduced fee) counselling sessions, clients are required to consent to their personal information being provided to our funding body DSS via the DSS Data Exchange (Dex). Clients who do not consent to their personal information being shared can still access our counselling services however may be charged the full counselling fee of **\$165+GST/session**.

All clients will be informed of the fees applicable to them at the time of commencement of the service. It may also be necessary to re-assess client fees due to a change in circumstances, particularly in relation to their financial situation.
